

Dear Brethren,

Imperience is proposing to hold a 7 day residential abhyasi training program for up to 10 participants from **11th Viveka to 18th Viveka 150 LE (25th Dec 2022 to 1st Jan 2023)** in Hyderabad. This will give a unique opportunity to participating abhyasis to devote dedicated time to contemplate and reflect on improving their sadhana, while being in the remembrance of the Master. The idea is that the exclusive 7 day duration will strengthen the practice of remembrance of the Master, so as to carry the habit in our daily routine of life.

To be eligible for participation, the abhyasis should send a summary of their diary, one month in advance. It is strongly recommended that at least one abhyasi from each centre participates in this program. Abhyasis who seek to participate, may send their name, centre and contact number to [isrcimperience@gmail.com](mailto:isrcimperience@gmail.com) by **Nov 25th 2022**.

In service of the Master
